

KIWANIS NEWSLETTER

August 18, 2016

Hilding Larson and Bob Kitamura, along with Club Counselor Steve Click, returned from the CalNevHa District Convention in Las Vegas last week. The proposed consolidation of Divisions 24 and 29 was deferred for a year and a half. There is thought to merge our club with the SLO evening club and even the morning club in order to have a club of sufficient size according to Kiwanis regulations. Hilding, PM Club President George Petty, and Lt. Gov. Brian Atwell are meeting this week to discuss the situation.

Soap Box- Jim Nielsen scored big with one that tells what happens when you try to please everyone. It has been sent to members in a separate e-mail.

Fines & Happy Bucks- Kevin Hauber did the honors. Kevin gave a happy buck in honor of Diana Meyer's work for the club. Roger Jump thinks Bob Alderman is honest because he got correct change for the drawing. Rich Carsel paid for being happy and leaving early. Steve Click donated for his birthday and losing at the slot machines in Vegas. James Shammass recognized Hilding Larson for all the A-V work he has done at Kiwanis conventions. Mike Murphy was happy about Jim Nielsen's soap box. Bob Kitamura still has his old Division 29 pin. Leslie Cone is awaiting her 4th grandchild, to be named "Andy", and has a new car. Milt Batson is confused about the repairs on his house and cottage. Doc Steele paid for a sick joke.

Program- Lt. Gov. Nominee Steve Click was our speaker. He described "The Formula", a plan to attract young professionals to Kiwanis. It is a five year plan for members to stay engaged, share what they like about Kiwanis with others, and connect with community needs.

Drawings- \$10- Bob Alderman

\$20- Doc Steele

Flag- Bart Topham

Fine Free- Diana Meyer

Song- Doc Steele
