

Kiwanis Club of SLO

Newsletter for the meeting of Oct 6, 2016

Prez Hilding opened the meeting with Leslie, Hilding & Roger J. leading the opening ceremonies.

Seven members of the evening club came to their first meeting of the Thursday noon club.

We fed about 85 on Sunday's Feed the Homeless. We have a need for more vegetables.

We had a board meeting on Tuesday. We voted to split the cost of chartering a Builders Club at Laguna Middle School with the morning Club. We have a very enthusiastic faculty advisor. We voted to pay up to \$400 for registration & transportation for the SLO HS Key Club officers to attend Fall Rally at Magic Mountain in November. We may also have an opportunity to sponsor a Circle K club at Cal Poly. A past Key Clubber has started to organize a club and is working on the paper work for Kiwanis and Cal Poly ASI. They have had 3 meetings, 8pm on Tuesdays at Baker Science 102. He mentioned they had about 40 kids attend last week. The board voted to commit \$400 to pay the charter fee for the club when it is ready.

Four people painted the town red on Saturday, painting curbs on Palm St.

We discussed the Crab Feed and Diana, Roger J & Leslie will head up the auction items. Bob Kitamura will update the artwork for the posters & tickets. James will oversee ticket sales and help Hilding with the physical arrangements.

Our fundraiser food booth at Airport Day on Saturday Oct 15 still needs a few more people to help out. 4 hour shifts, 8-12, 10-2 & 12-4 are available. Contact James if you can help out.

The BBQ Crew also has an event on that day for Laguna Middle School in the evening.

Roger Jump was the secret greeter and educated most of our new members on how we encourage friendship by shaking hands before the meeting.

Diana had a number of observations on how her diet was progressing as our joke presenter.

Michael Murphy stepped up to the soapbox and gave us a history of the adventures of his life and getting himself and his wife to SLO. Somewhere there was a stork involved.

Gary and Bart made a quick job of collecting a few fines and happy bucks. Milt missed a 6 buck donation by Mike & Erica of Boy Scouts for sponsoring Pack 31. Gary showed his age by saying he was a member of the Pack in the 1950's.

Our program was presented by Brett Strickland, a candidate for City Council. He is a renter and commutes out of the city to his job every day. He is against the rental inspection program, wants a compromise on the after dark hiking proposal, and wants to clean up the councils practices of spending money and not paying off unfunded liabilities.

The 50/50 drawing went to Bob Kit. And one of our new members after Brett drew his own number.

Jim Nielsen drew a King from the deck of 12 cards, making next week at \$152.50
