Hilding Larson ran the meeting. Guests were Lt. Gov. Albert Almodova, past Lt. Gov. Brian Atwell, Jimmy Quinonez of the Atascadero club, and Circle K organizer Alon Gary.

**Youth Activities-** Alon Gary, a former Key Club member in high school, is helping organize a Circle K Club at Cal Poly. He has 17 people signed up so far. A faculty advisor from Poly and an advisor from our club are still needed. Diana Meyer reported that there has been poor attendance at the Key Club activities at SLOHS but is enthusiastic about the response to the organization of a Builder's Club at Laguna Middle School.

**Airport Day-** Our participation in the food booth was canceled in view of the rain predictions and its effect on our financial investment.

**Volunteers Needed-** An Interclub Chairperson and a chairperson for the See's Candy fundraiser.

**Joke-** Leslie Cone scored with an optimist-pessimist joke.

**Soap Box-** James Shammass told us about the new airport terminal which will have 56,000 sq. feet, 4 gates, and cost 34+million dollars.

**Fines & Happy Bucks-** Gary Simas was the fine master. Secret Greeter Jim Hansen was ignored by Bart Topham. Doc Steele started the patriotic song on too low a note. James Shammass was hit for botching an intro. Mike Murphy also fumbled an intro and gave up part of his poker winnings. Bob Alderman also gave a poor intro. Bart Topham paid for being late, missing the Secret Greeter, and just being here. Hilding was squeezed for his late appointment of the S.G. Rich Carsel advised Diana Meyer to think of teenagers as being developmentally disabled. Brian Atwell was happy about the club merger and getting a free lunch. Jimmy Quinonez was glad to be here.

**Program-** Brian Atwell deinstalled the old board and officers and gave awards to past co-presidents Doc Steele, Gary Simas, and Hilding Larson. Albert Almodova installed Hilding Larson as President, Bob Kitamura as V-P, Milt Batson as Secretary, and Henry Rible as Treasurer. The new Board of Trustees will consist of Sabrina Harper, Gary Simas, Mike Murphy, Doc Steele, Jim Nielsen, Diana Meyer, and Bart Topham.
