Guests- Lt. Gov. Albert Almodova and new member-to-be Ryan Sedley graced us with their presence.

Youth Activities- The Builders Club is starting a compost pile in conjunction with the Community Garden. Circle K will be participating in the Cal Poly Open House (soon to be Poly Royal again).

Joke- Roger Jump told an old age joke which netted a polite response.

Fine & Happy Bucks- Gary Simas was fine master. Rich Carsel gave for leaving early, a 2-week vacation, and his 3rd wife. Jim Irwin started the song too low. Diana Meyer gave a poor introduction. Bob Kitamura was happy Poly Royal is returning. Speaker Bob Shanbrom paid for a poor joke. Fine Free Doc Steele unknowingly gave for a fair one. Hilding Larson had a dollar to spare. Milt Batson was happy about a thank you card from the Key Club, his new Jeep has arrived, and his grandson and his wife are featured in a ministry magazine. Albert Almodova donated for the Governor's visit and the Crab Feed. Roger Jump is celebrating his 48th wedding anniversary.

Program- Our speaker was Bob Shanbrom, whose family foundation has been sponsoring the "We Belong" program at SLOHS. This program rewards students who perform "socially courageous acts of inclusion" benefitting students with disabilities such as autism. These acts are reported by other students, teachers and their aides, and personal aides. They are verified by the Special Resource Teacher. Two \$25 gift certificates are awarded each month, chosen at random from the nominees and a \$100 certificate is given at the end of the year to one of the awardees. Bob will fund the program for the next 2 years, but would like Kiwanis to assume it after his son graduates.
