

KIWANIS NEWSLETTER

June 1, 2017

Prez Hilding returned after a 2-week hiatus to find the club still intact. There were no guests other than our program speaker.

BBQ's- We don't have final figures yet on the Drive-Thru BBQ. We fed 600 SLOHS students at the 24 hr. Relay on May 27th at a chicken BBQ. Lynn Cooper expects to lead a feed of 50 on June 10th for a BBQ auctioned off at the Crab Feed. We expect to feed about 250 at the Central Coast Funds for Children shindig on June 25th.

Youth Activities- Circle K is recycling unused Cal Poly food cards. The Key Club will have its end of year party at Mitchell Park on June 9th starting at noon.

Joke- John Durant sneaked by with some old-fashioned sayings.

Soap Box- Gary Simas' paternal ancestors came to San Simeon in the 1860's as whalers. His mother's family is from Santa Maria. Gary grew up in SLO and worked at various car dealerships in the parts and service departments.

Fines & Happy Bucks- Gary was the fine master. He hit Larry Meek for being late at the Relay BBQ. Bart Topham is the chaplain of the local American Legion post, even though he has not been officially ordained. John Durant paid for the joke. Rich Carsel gave for the Memorial Day concert at Avila, going to New Orleans, leaving early, and belatedly getting his Kiwanis apron. Kevin Hauber was happy the Feed the Homeless list filled up. Milt Batson was also happy about the Memorial Day jam. Mike Murphy donated for his 74th birthday.

Program- Our speaker was Cynthia Perrine, program director of the Western Section of the Wildlife Society. The society's intent is to get children outdoors to interface with a wildlife professional. They have educational programs for the professionals. Locally, they have had a pilot program at Laguna Lake to teach students at C.L. Smith Elementary and Laguna Jr. High the environmental and biologic facets of the Lake, as well as provide snacks and lunches for the participants. They hope to get our Builder's Club involved.
