

KIWANIS NEWSLETTER

Aug. 3, 2017

Doc Steele ran the meeting again as Prez Hilding is attending the CalNevHa convention in Reno and hopefully not gambling away the club treasury. Guests were Nancy and Steve Rye of the SLO AM Club and Linda Booker, brought by Diana Meyer.

Community Garden (7/29)- Roger Jump represented our club at this workday. Another is scheduled for this Saturday (8/5).

Youth Activities- There will be a Key Club training session on 8/19.

Soap Box- Diana Meyer was born in southern California and moved to SLO in 1968. She has 1 son. She worked in retail and banking and then spent 27 years at CMC before retiring. She is active in youth activities at her church and has been a Kiwanian since 2014.

Joke- Mike Johnson scored with a confessional joke.

SLO AM Club Golf Tournament- This will be held Sept. 16th at the Laguna Golf Course and includes a breakfast and lunch with the golf. Hole sponsors and volunteers are needed for this AM Club fundraiser.

BBQ Committee- We will be doing a BBQ for BB/BS at Varian Ranch on Aug. 19th. Contact Bill Fieldhouse if you can help.

Fines & Happy Bucks- Bob Kitamura did the fining. Secret Greeter Roger Jump tagged Dale Winslow and fine free Ralph Battles. Ralph did give for having guests from New Zealand and having his December anniversary in August. Bill Fieldhouse paid for a poor introduction and his anniversary. Mike Johnson donated for his club anniversary. Steve Rye was happy to be here. Mike Murphy will be going to LA to meet with his 3rd grade friends and nuns.

Program- John Durant was our speaker. He was recruited by the Marines while studying at Cal Poly and spent time at Quantico and Camp Pendleton before being sent to Viet Nam as a 1st lieutenant in the Military Police. He spent 11 ½ months in Da Nang starting in July, 1970. He showed us slides of his hooch and squadron and officer's club. He feels the war would have ended a lot sooner if the U.S. had bombed areas of Laos and Cambodia.
