

KIWANIS NEWSLETTER

Oct. 12, 2017

Guests- Lt. Gov. Steve Click made his official visit and Shane Kramer returned after a long absence, spent mostly in the mid-west.

Inspiration- Doc Steele managed to insert a Jewish husband joke just before reciting a Hebrew prayer.

Youth Activities- The SLOHS Key Club is participating in an art show on Nov. 4th to benefit pediatric trauma programs. They had 20 students at their last meeting. Cal Poly Circle K has 38 paid up members and is doing multiple projects and looking for more. The Laguna Builders Club only had 4 members at their last meeting but are making posters to recruit more.

Amp Surf- John Durant reported that 25 military veterans with amputations recently surfed at Avila Beach and Morro Bay as part of their recovery program from their injuries.

See's Candy- Ben McAdams made a pitch for this fundraiser, suggesting we sell to businesses that might buy multiple boxes.

Joke- Ben then followed up with a toilet seat joke that got thumbs down.

Soap Box- Lynn Cooper handed out real estate multiple listing sheets and gave an explanation of the numbers.

Fines & Happy Bucks- Gary Simas returned to do the extraction. Ben McAdams paid for a poor introduction of the Lt. Governor and for his wife's good recovery from back surgery (I guess Ben didn't do it). Roger Jump didn't recognize Dale Winslow. Henry Rible was given a dollar for his work with the grand jury. Milt Batson enjoyed his vacation in the Sierras. George Petty complimented the work of Diana Meyer and Roger Jump with our "yoots". Steve Click denied he is getting free lunches. Jim Nielsen enjoyed visiting his son and a recent reunion of old friends. Diana Meyer is enjoying her reading experiences with 4 children at Hawthorne School and is happy her son finally had hip surgery. Shane Kramer was happy to be back.

Program- Lt. Gov. Steve Click made his "official visit." He pitched for new members so we can do more service. We also need new members in the division so that Division 24 does not have to merge with Division 29 and run from Lompoc to Paso Robles. His "First Dude" will attempt to start new Aktion clubs. Kiwanis One Day has been postponed until April. To train future leaders, we should send more delegates to the Regional, District, and International meetings. He has arranged some fund raising to help clubs pay for this in the form of a Black Pearl raffle and a Bingo tournament.

Drawings- \$10- Larry Meek

\$30- Shane Kramer
