

KIWANIS NEWSLETTER

Jan. 11, 2018

Doc Steele ran the meeting in place of Prez Hilding who was in Las Vegas for the Consumer Electronics Show (there is no truth to the rumor he took our Foundation money to enhance the "corpus").

Guests- Steve Rye and John Ashbaugh of the SLO AM Club came as a 2-man interclub. Our own Jim Frye made his yearly appearance.

Feed The Homeless (1/7)- We fed 73 people including 6 children. Thanks to all who donated and served.

Youth Activities- The Key Club continues to have good attendance and is planning a bake sale and a pot luck as fundraisers.

Crab Feed (3/10)- Chairman James Shammass distributed tickets, posters, and ticket logs. Besides buying direct from Kiwanians, purchasers can also call 544-1515 or email crabfeed@slokiwanisclub.com for reservations. The \$65/seat reserve tables can seat 8 or 10. General seating is \$49. Auction items are also needed. Contact Diana Meyer or Roger Jump if you can help in this regard.

Community Garden- This is almost complete except for the entrance sign. The budget is still \$2-3000 short and they are looking for donors to put their name on a bench for \$700 or a plot for \$150. The formal opening is scheduled for Feb. 17th.

Joke- Tom Tolbert scored with a marital joke.

Fines & Happy Bucks- Bart Topham did the honors and gave for his youngest son getting married and Jim Frye's presence. Doc Steele was hit for looking at Rich Carsel and calling on Roger Jump. Roger said he resented insinuations he is a wino. Leslie Cone has a fall, injuring her head and hand, and delayed seeking medical attention. Diana Meyer was happy Rich Carsel was filling in as the program at the last minute. Rich was glad to see Jim Frye. Mike Murphy was happy to see both Jim and Leslie here, but sad he is going to Mexico at the end of February. Steve Rye is celebrating his 60th wedding anniversary. Jim Frye gave for being here.

Program- Rich Carsel discussed what could go wrong with living trusts such as not strictly defining who the primary physician is, and not having the trusts name on stock records and bank documents. He cautioned that driving while impaired may negate your vehicle's insurance and put your estate at risk. He also discussed methods of protecting your estate from undue influence by caregivers and relatives.
