

KIWANIS NEWSLETTER

Oct. 4, 2018

A shortened newsletter this week as a tour of Mind Body Company was taken by about 35 members and guests instead of the regular meeting. Mind Body is a fast-growing company, with headquarters in SLO and offices around the world, which produces software for the health, fitness, and beauty industries. It has about 1300 employees locally.

Next Program- James Lopes, candidate for SLO City Council.
