Doc Steele ran the meeting in place of Prez Hilding who was out of town.

Guests- John Forsberg returned for his 3rd free lunch prior to induction. George Petty came down from the snows of Lake Tahoe.

Crab Feed (3/16)- Ticket sales are in full swing. Contact James Shammas if you need any. Contact Roger Jump or Diana Meyer if you have any auction items.

Key Club- 10 of 11 members attended this week's meeting. 4 attended the conclave to elect a new Lt. Governor last weekend.

Soap Box- James Shammas entertained us with some Super Bowl trivia questions.

Joke- Dick Riggins told a passable God on vacation funny.

Interclub (2/14)- We need two more people to make an interclub in Atascadero on Feb.14th at 7am and to help sell crab feed tickets. Contact Doc Steele if you can make it.

Sick Call- We sent a get-well card to Leslie Cone who has been down with chronic back problems.

Fines & Happy Bucks- Gary Simas returned as fine master. Roger Jump and Bob Alderman were hit for poor intros. Ben McAdams offended Jim Irwin and Mike Johnson by speaking with his mouth full (as opposed to being offended whenever he speaks). All three were fined. Rich Carsel gave for a police joke and Jim Nielsen volunteering to be the retention chairman (nothing to do with bodily functions). Diana Meyer was happy she received program contacts from Ralph Slocum and Doc Steele. George Petty was glad that he is back. Henry Rible and Bob Alderman paid for missing a poker game, and thus not losing money. Milt Batson's daughter fractured her back and needs some prayers.

Program- Our speaker was Jeff Lee, a former president of our club, and now a member of the Arroyo Grande Valley chapter. He was recently elected mayor of Grover Beach. He spoke about issues facing that city such as fixing the roads, medical marijuana dispensaries, increasing broadband connections, and the Integrated Waste Management Authority.
