

# KIWANIS NEWSLETTER

Feb. 14, 2019

Doc Steele ran the meeting. There were no guests other than the program speaker. Diana Meyer gave the inspiration in place of the speechless Larry Meek.

**Crab Feed-** Sales are coming along. Contact James Shammass if you need tickets and Roger Jump or Diana Meyer if you have auction items.

**Key Club-** The election for next year's officers is approaching.

**Circle K-** They are also having elections.

**Fines & Happy Bucks-** Gary Simas did the extraction. Roger Jump was Jim Nielsen's ventriloquist for the song- so both paid. Larry Meek was hit for not having an inspiration. Doc Steele gave a happy and a sad buck for his granddaughter's soccer team making the playoffs in Bakersfield. Prodded by a fine for not having a joke in place of the absent Bob Alderman, he came up with a Bakersfield put-down. Bob Kitamura has a wedding anniversary coming up. Gary Simas, Lynn Cooper, Rich Carsel, and Milt Batson donated for February birthdays. Milt also gave for his repaired tractor and having his knee cast off. Jim Nielsen was hit for a poor intro.

**Program-** Our speaker was Tina Self, assistant Regional Commissioner of the SLO American Youth Soccer Organization (AYSO). Our club has been a major sponsor of AYSO since 2000. This year they had about 1100 players from age 4-age 16. All coaches, officers, referees are volunteers. Major expenses include field rental, uniforms, and equipment. This year's All-Star tournament, which is a major fund raiser was rained out.
