Fines & Happy Bucks- Gary Simas did the honors. Ben McAdams got hit for arguing with fine-free Diana Meyer. Larry Meek was fined for not coming to the podium to help introduce our new member and Prez Hilding paid for not selling him his badge. Lynn Cooper was hit for advertising. Milt Batson was sad his daughter-in-law was injured in an auto accident. Hilding was also fined for not mentioning our club just had its 95th anniversary.

Program- Dr. Gene Nelson spoke on behalf of Californians for Green Nuclear Energy. This group is against the closing of the Diablo Canyon Nuclear Power Plant. They believe PG&E is doing it because it can make more money building new fossil fuel plants and selling them natural gas. He says the Public Utilities Commission is not doing its job by not protecting rate payers. His group is fighting the closure by filing lawsuits and circulating petitions.
