

KIWANIS NEWSLETTER

Fines & Happy Bucks- Gary Simas did the honors. Henry Rible paid for explaining club expenditures and for complaining about never winning the 50-50 drawing. Diana Meyer was also hit for using the fine time for complaining. Milt Batson gave for a trip to see his grandson's 2nd B-D. Larry Meek donated a hopeful buck (see below).

Soap Box and Program- Larry Meek had an "endowment funk". He feels that most of the money raised by fund raisers during a given year should be spent soon after and not saved in an endowment for a rainy day. He challenged club members to come up with ideas to spend almost all the money in our Foundation.
